

PEDRO GONZALEZ

Fontana, CA | 909-365-9527 | [Email](#) | [LinkedIn](#) | [Website](#) | [GitHub](#)

PROFESSIONAL SUMMARY

I am a Tech for Impact computer science student active in my community, helping develop the first framework for automating LLM-based redactions and a community-based smart ridesharing platform placing 3rd in an international innovation challenge. I am a continuous learner and a passionate STEM advocate wanting to empower underrepresented communities.

TECHNICAL PROFICIENCIES

HTML, CSS, PYTHON, JAVA, CHATGPT, AI, VMWARE, LINUX, WIRESHARK, RUFUS, OPENAI, SCRIPTING, SYNTHETIC DATA GENERATION, MIMESIS, LUCIDCHART, ADALO

EXPERIENCE

AI Security Research Intern | The ACTION NSF Artificial Intelligence Institute UC Santa Barbara | June 2025 – August 2025

- Developing RedactBench: the first framework for automated LLM-based redactions and synthetic document generation pipeline
- Poster Presentation at UC Santa Barbara 2025 Summer Undergraduate Research Colloquium reaching over 200 attendees

Project Manager | Ride Splits | June 2025 – August 2025

- Assisting in onboarding, establishing workflow, implementing AI chatbot, placing 3rd in an international innovation challenge

Developer Intern | Ride Splits | March 2025 – May 2025

- Building a responsive website, redesigning, developing, and implementing additional app features using Adalo

Emerging Technology, Innovation, and Partnerships (ETIPS) Fellow | CSU San Bernardino | March 2025 – May 2025

- Exploring Artificial Intelligence (AI), Quantum Computing, Semi-conductors, and Machine Learning.

Senior Science Buddy | Science Success Center, California State University San Bernardino | December 2024 – May 2025

- Helping 15+ students transition into CSUSB STEM programs, encouraged them to get involved and provided resources

College of Natural Science Director | Associated Students Incorporated (ASI) | July 2024 – January 2025

- Actively engaging with students and advocating on their behalf in BoD Meetings and other on campus initiatives
- ASI Personnel committee and Career Center re-design Committee

Jumpstart Into Cyber (JIC) | National Science Foundation (NSF) | 2023-2024

- SEC275: Foundations: Computers, Technology, & Security and SEC401: Security Essentials - Network, Endpoint, and Cloud
- Learning about Linux, Virtual machines, and Cyber Security concepts

Cyber Start America and Fast Track | CyberStart | 2022-2024

- Competing in gamified cyber security competition that brings to life real-world hacking challenges and puzzles
- Earning National Cyber Scholar status, bronze award, and Jumpstart into Cyber Invite

Caltech Upclose | The California Institute of Technology | 2021

- Prestigious program for students from historically underserved STEM backgrounds, gaining valuable exposure to opportunities.

PROJECTS

World Travel Game | Python terminal game | <https://p-e-d-r-o-gonzalez.itch.io/worldgame> | Windows platform executable

EDUCATION

B.S. in Computer Science, California State University San Bernardino, *San Bernardino, CA* | May 2026

AFFILIATIONS & TRAINING

Member | **Cyber Intelligence and Security Organization (CISO)** | February 2025 – Present

- National Cyber League (NCL), Breaking the Matrix Web Exploitation project, and Cyber Mentorship Program (CMP) mentee

Member | **Society for the Advancement of Chicanos/Hispanics and Native Americans in Science (SACNAS)** | Dec 2024 – Present

- SACNAS SACRED Research Education and Development (RED) circle mentee

Outreach Officer | **Computer Science and Engineering Club** | August 2022 – Present

- CSE Club opener, tabling, working closely with Women in Computer Science and Engineering (WiCSE)

Member | **Association for Computing Machinery (ACM)** | December 2023 – November 2024

- Staying up to date with cutting edge research and technologies as well as attending talks

Member | **SANS Institute** | September 2023 – Present

- Attending AI Cybersecurity Forum, Cyber Solutions Fest, Cloud Security Exchange, and Ransomware Summit

AWARDS & CERTIFICATIONS

AAAI (Academic Applications of AI) - 2025 | **National Cyber Scholar** - (top 1000 out of 45,962) - 2022

GSEC (GIAC Security Essentials) - 2024 | **GFACT (GIAC Foundational Cybersecurity Technologies)** - 2023

HSF (Hispanic Scholarship Fund) - Finalist - 2025 | **Seal of Biliteracy (Spanish)** - State and District level - 2022

HACU (Hispanic Association of Colleges and Universities) scholarship - 1 out of 20 at CSUSB - 2024
